

Connected Environments (Connexoon)

First Step	Accelerate even more connectivity in homes by proposing to users and to professionals a simple, attractive and accessible offer to connect Somfy's equipments.
	Connexoon, a smooth first step, into Somfy Connect universe
	My house welcomes me: thanks to geofencing, gate and garage door open just before I come home. Outdoor lights automatically turn on at night. All equipment close as soon as my car is parked.
	Create your customized ambiances for the terrace: define the lighting, the music and the opening of the awning or pergola to match perfectly your life moments.
	When you leave your home, in 1 click on your Smartphone, close your roller shutters and activate your alarm.
